

[Name of your school or school district] was happy to partner with The Cromwell Center for Disabilities Awareness this [month/week] and to engage our students in some great activities and conversations around abilities, respect and inclusion. The Cromwell Center's messages and programs fit perfectly with our [school's/schools'] own efforts to build kindness and respect for all students [or other wording about your school's values].

To learn more about this Maine non-profit and their free disabilities awareness programs, visit [www.cromwellcenter.org/](http://www.cromwellcenter.org/)
