

Celebrating INCLUSION

Fun, food, drinks, and fabulous auction items

June 13, 2024, 5:30-8:30 PM, Cambria Hotel, Portland

As the only disabilities awareness organization working in Maine schools, we invite you to join us as a sponsor of this fun and meaningful event! Our programs for children in grades 1 – 6 are critical to building awareness, respect, empathy, and inclusion in our schools and communities. This event is a major source of program funding.

YOUR SPONSORSHIP PROVIDES CRITICAL SUPPORT

As a sponsor, you help fund programs that Maine schools rely on to foster understanding and inclusion. Since 2004, we have brought these programs to almost 9,000 classrooms in 253 schools throughout the state—at no cost to the schools. Our interactive, lively, hands-on activities help students understand that disabilities are part of human diversity and don't define a person; realize that we all have strengths to share and challenges to overcome; develop solutions to teasing and bullying and practice empathy and inclusion in the classroom and community.

"You can't always see a disability, but you can see a true friend."

"Now I don't feel like the only one. Before today I felt like I was alone."
